The only complaint in this writ petition is that the electricity connection vide Service No.111149 at Ward No.3, Baloda Road, Akaltara, has been disconnected w.e.f. 21.8.2001 without giving any notice to the petitioner as contemplated under Section 24 of the Indian Electricity Act. and ready to clear if ~~they~~ there be any arrears pending in respect of the said service number. It is also further submitted by Shri Paranjape that the petitioner is a petty business man.

Instead of issuing notice in the present case, I consider it just and proper to dispose of this petition as follows :-

(1) Let the electricity connection of service No.111149 be restored subject to payment of arrears if any and further subject to payment of normal installation charges.

(2) This shall be done ~~xxxx~~ immediately on production of copy of this order before the competent authority.

This order has been passed as it ~~xxx~~ appears to me that prima facie disconnection was carried out on the instructions ~~by~~ the concerned Executive Engineer and that too without complying with the provisions of Section 24 of Indian Electricity Act.

C.C. as per rules.
